### Potential Proposals

There are currently no active proposals awaiting action by Board Staff. There are several proposals in process that are delayed because feedback from Board Staff require a substantial revision or because the length of time since the last revision will require an updated proposal. Board Staff anticipate receiving proposals from the following schools:

Name and Location of Program	Type of Program
Career Quest San Antonio, Texas	ADN
Carrington College Mesquite, Texas	ADN
CyberTex Institute of Technology Austin, Texas	VN
Howard College San Angelo, Texas	ADN
LaTourneau University Longview, Texas	BSN
National American University Rapid City, South Dakota	BSN
San Jacinto College North Houston, Texas	ADN
South University Austin, Texas	BSN
Texas Lutheran University Seguin, Texas	BSN
Vista College El Paso, Texas	ADN

Interest from other programs has been expressed but proposals have not been submitted. A number of inadequate proposals from a few programs have been returned with a return of one-half the application fee.

**Staff Recommendation:**

Accept reports of new program proposals approved since 2006 and information about potential proposals for the future.
