

Promoting Competency Report

The Texas Board of Nursing's educational offerings and continuing nursing education (CNE) courses provide nurses with an opportunity to increase their knowledge of the laws and rules and regulations that affect their nursing practice and contribute to their continuing competency. These offerings and CNE courses are a high priority for Board staff and support the Board's mission of patient safety.

The attached Promoting Competency Report reflects attendance for educational offerings, CNE or stipulations for the first, second, and third quarter FY 2015. Also included in the report is attendance information for FY 2012, FY 2013 and FY 2014 for comparison purposes.

- Attachment A reflects
 - the number of participants who completed the on-line CNE Course titled, "*Nursing Regulations for Safe Practice*";
 - the data for the nursing jurisprudence and ethics workshop titled, "*Protecting Your Patients and Your Practice*";
 - the number of attendees for the advanced practice registered nurse workshop titled, "*APRN Licensure and Practice in Texas: Meeting the Challenges, Meeting the Needs*";
 - the number of attendees for the "*Nursing Peer Review – Putting Your Committee Together*";
 - the number of attendees for the "*Guidelines to Effective Delegation in the Community Setting*"; and
 - the number of attendees for the "*LVN Scope of Practice Workshop*".

- Attachment B reflects
 - the attendance by licensure for webinars provided during the 1st, 2nd, and 3rd quarter.

Goals for the future include asynchronous continuing competency offerings. The first two, scheduled for FY2016, are "*Documentation – So Let It Be Said*" and "*APRN Prescriptive Authority*". These types of offerings are aimed to provide easier access and a cost-effective way to obtain information on specific areas of nursing practice.
