

## **Promoting Competency Report**

The Texas Board of Nursing's educational offerings and continuing nursing education (CNE) courses provide nurses with an opportunity to increase their knowledge of the laws and rules and regulations that affect their nursing practice and contribute to their continuing competency. These offerings and CNE courses are a high priority for Board staff and support the Board's mission of patient safety.

The attached Promoting Competency Report reflects attendance for educational offerings, CNE or stipulations for FY 2015. Also included in the report is attendance information for FY 2012, FY 2013 and FY 2014 for comparison purposes.

A full schedule of the dates and locations of the FY 2016 webinars and nursing jurisprudence and ethics workshop, *"Protecting Your Patients and Your Practice"* will be finalized soon and posted on the Board website in the Continuing Education Course Catalog.

## **Interactive Online CNE Opportunity**

The *"Nursing Regulations for Safe Practice"* interactive online CNE course is available on a continuous basis and satisfies the requirements for Nursing Jurisprudence and Ethics as mandated in SB 1058, 83rd Legislative Session (effective 9/1/13).

## **New Online Course Launched**

A new asynchronous online course, *"Documentation – So Let It Be Said"* was launched in September and another course, *"APRN Prescriptive Authority"* is in development for release during FY 2016. These online courses are aimed to allow cost-effective, easy access for nurses to earn continuing nursing education at a time convenient to their schedules.
